To Whom It May Concern:

I was introduced to Arthur Marshall through my advisors with Fortune and Northeast Sequoia Private Client Group. Precision Family Dental is a practice in Grand Rapids, Michigan, and I'd been attempting to hire a new dentist for some time. I'm at a point where I'd like to spend more time in the CEO seat, engage in higher-revenue procedures, and build my business, but in order to do that, I needed to be able to add someone to help shoulder the load. I'd gone through a couple of recruitment firms with mixed results and underwhelming candidates, and I certainly realized I was in need of an upgrade.

My Arthur Marshall team consisted of Justin Poynter and Kevin Dodson. They took the time to come out and meet with me at my practice, really learn what I was looking for, and what the area has to offer. I appreciated the extra effort, and those little things seemed to add up, as we were able to effect a hire in short order. I'd certainly recommend Arthur Marshall to others, and I hope this letter helps with your experience.

Sincerely,

Adam Piotrowski
